ANNOUNCEMENTS

Outreach

During this season of uncertainty, there are new and exciting ways for us to reach out to the community. We would like to highlight two of those opportunities here.

The first is **mask making** for 1st responders and the medical community in Flathead County. Anyone with a sewing machine can do this. There is also a need for people to transport materials and masks around and across the valley. They are looking for donations 100% cotton quilting fabric as well as 1/4 or 1/8 elastic. Here is the contact information to get involved with this project:

- o Email: masksforflathead@gmail.com
- o Website: <http://flatheadvalleymaskmakers.org/>

The second opportunity is providing **healthy snacks** and lunches for various Montana Highway Patrol. We have an assigned day and will begin next week. A small group would be packing about 10-15 sack lunches per week with prepackaged snacks and drinks and deliver them to the department. If you would like to help coordinate, or donate prepackaged snacks or drinks, please contact Pastor David: david@calvaryflathead.org

Tithing

Although we are not meeting physically, your ministry team at CCFV continues to serve and minister to our body in many ways. We are also engaging with the county and other churches to help assist with both present and emergent needs. Your offering is important during this time and is worship to the Lord! 2 Corinthians 9:7 *"So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver."*
