ANNOUNCEMENTS

Children's Ministry | Summer Session – May through August | Take the opportunity to be a part of sharing God's Word and Jesus' love with our kids! We need two adults willing to serve, 1 in 1st Service, and 1 in 2nd Service. Please see Linnea to get signed up.

Baby Bottle Campaign | Hope Pregnancy Ministries is holding its annual baby bottle drive. You can participate by picking up a bottle in the foyer to be filled with change and even paper bills. Bottles can be returned by placing them in the basket at the Children's Ministry table. Father's Day will be the last day to return donations. For more info check out hopepregnancyministries.org.

We'd love your support as we prepare for VBS! Please take a moment to browse the list on Sign Up Genius (Link located on the app or website) and note the specific items requested, suggested purchase locations, and estimated delivery times.

Once in Sign Up Genius to access product links, simply copy and paste them into your browser.

Please have all donated items shipped to your home rather than directly to the church, as our church building is unable to receive packages. Once your items arrive, you can drop them off at the church at your convenience.

Thank you for partnering with us in making VBS a meaningful and memorable experience for our kids!

For any questions, please see Linnea.

Save The Date for Family Day | Mark your calendars Sunday, July 26th for CCFV Family Day at Logan State Park. We will have church @10am, followed by Baptism, BBQ & opportunities for fun in the sun. If you would like to camp, you can make reservations at montanastateparks.reserveamerica.com. Details can be found on the table in the foyer. Signup for Family Day on the app or website.
